

THE COLLINS BLOODLINE

The next family in our series of articles on the top 13 Illuminati families is the Collins family, The first two have been the Astor family and the Bundy family. The first two articles were fairly straightforward. Both the Astor and Bundy families have been written about by others, and I had more information on both families than I needed for my articles. In fact I left out worthwhile details in both articles in order to keep the articles to a comfortable length. In this Collins article, there will be some padding." In terms of research on the Collins family from a scale from 0 to 100, I'm about at 10. There are some hard connections that will be presented and some soft connections. Joan Collins is what I'd call a soft connection. She has associated with a long list of key Illuminati men and at least a few known Satanists, but this is only the barest of dues that she might have anything to do with the Illuminati herself. Let me give some of the hard connections first.

The following is a description of a highly secret high level Satanic meeting. It comes via an ex-insider who is now a Christian. If any other ex-hierarchy person is reading this, perhaps this will trigger some memories for you. This experience dates to 1955. This is a meeting that is held twice yearly, and to which the Rothschilds and all the mother families attend. The meeting is inside in a big room, and the Grande Mother on the throne was a Collins. The Collins family has been kept out of the limelight because they have more occult power than the Rothschilds or the Rockefellers. To make money this Collins family does something financially, such as deal with the exchange of money. I've noticed that numerous Collins have been Insurance Executives, and although I haven't exposed the connections between Insurance Companies and the NWO, there is a book out which shows how they most insurance companies are connected and under the guidance of the NWO elite. The Grande Mother Collins dressed in black has an ebony and gold moon shaped throne that she can automatically rotate by pushing a pedal with her foot. Behind her sits the Grand Council with 13 members --this might be or might not be the Grand Druid Council that you will read about further on. The difference between this council in 1955 is that it was all males, while the council in 1978 has several women on it..

The Grande Mother, a Collins woman was thought to be in her middle 50's at the time of this meeting, she had a deep dictatorial voice, was small in stature, and was very powerful. She was decked out on her throne with a great deal of jewelry. One of the first things done was to lay before her feet small gold bricks (shaped like small bricks and made of pure gold). Two boys, who were taken to be her sons, one of whom was Tom Collins, (Tom was later gunned down by the Illuminati) were near her throne. As only the most honored and powerful dared be in the vicinity of her throne, this showed that these two Collins boys were powerful. The boys passed out papers, which had time tables written on them of things that were to happen. A great discussion was carried on about what had happened in the world to bring in Satan's One-World-Government during the last six months and what was prepared to happen in the near future. Things that had not gone according to plan were discussed. The Ark of the Covenant was discussed, where it was hidden in Africa, and a ritual mocking the Ark of the Covenant was held.

Seven children in white were brought in from generational Satanic families and presented before Grande Mother Collins. They laid prostrate in worship of her. She would move her scepter with a snake up and down striking the floor to show approval of a child candidate. Then 7 other children were sacrificed for the 7 approved children, one for each child, whose name would then be written with a quill using the sacrificed child's blood. The children were given oaths. The Grande Mother rotated her throne and faced the Council of 13 and declared

(speaking in English) "This is tomorrow's generation, a chosen few." The John the Baptist of the Anti-Christ put in an appearance, but the anti-Christ at that time was not born or only a tiny baby. Was this Benjamin Creme? The ex-insider didn't learn the name of this John the Baptist forerunner of the Anti-Christ. However, the descriptions of this occult John the Baptist do match Benjamin Creme. Benjamin Creme was born in 1924, and was deeply into the occult and witchcraft even when he was a boy. (See the official newsletter of Tara Center Emergence, Jan 1982 Issue.) He claims that in 1959, he telepathically received a message from his Master, a member of the [demonic] hierarchy.

Creme calls these master spirits simply the hierarchy, Christians know it is the demonic hierarchy. Because all these things are planned out well in advance, it would have been very appropriate if Creme had been at a high level planning meeting in 1955. For more understanding on Creme's Christ the reader is directed to read the article on the Sufis in this newsletter. (Referring back to the gold bricks laid before the Grande Mother's throne, there are several reasons that real gold is important to the Illuminati. Perhaps in some other article this newsletter will go into it all. There have been massive secret gold shipments out of the United States and Russia. Guess who is getting it.) In my 1/1/93 newsletter the names of many top Illuminati are given. One that could have been included is Robert Moore Collins (1867-?) who was a member of the Pilgrims (60 of the modern equivalent of the Bavarian Illuminati.) Robert M. Collins was a reporter for several important newspapers and worked as an editor in the Washington and New York offices of the Associated Press. He did chiefly political work for the Associated Press. He was the chief newsman for Reuters (Illuminati controlled press) and the Associated Press for many stories coming out of the Orient. Although he was born in Wash., D.C., his address as an adult became Bournemouth, England. He never married. As those who investigate the Illuminati find out, the Illuminati control the press.

Here was a man who helped do it for them Last newsletter issue (1/15/93) went into some detail about how important the Satanic Societas Rosicruciana is in relation to the Satanic groups such as the O.T.O., Golden Dawn, and Stella Matutina. The Societas Rosicruciana is definitely a high level exclusive Illuminati organization. One of the New York S.R. officers was James F. Collins (8°) who died Apr. 2, 1896. He was with the original set of S.R. officers of the first High Council of the S.R. in America which had oversight over all the S.R. colleges (lodges) in America. His position was Presenter. (I don't know what that officer does.) When the Canadians set up a Societas Rosicruciana in Canada, the High Council which had oversight over all Canada included a Collins on its council, Daniel Collins, 8°. Daniel Collins had several positions on the council. The highest degree is the 9°. If you've read the Jan 1, 1993 newsletter or Be Wise As Serpents you have come across the Grande Druid Council, This is a high level Illuminati council. In Be Wise As Serpents in the second section in a chapter entitled Heresy Interlocks with Power on the 8th page, I gave the names of people who were on that secret Grande Druid Council in the Spring of 1978. Each of those people are powerful witches, and have a great deal of power in the world. Yvonne Collins was on the Grande Druid Council.

She was a traditionalist. To be a traditionalist means that she holds the view that only those people who are born to families with satanic power and witches in their family background can be true witches Obviously, the Collins family has a long history of witchcraft if she holds this view. Remember, that the leading Satanists feel they have special blood, the top ones feel they are gods. Even Grande Masters may teach their selected children they are the god which created the children. (This last statement makes more sense when one learns the methods, state of mind, and beliefs of the Satanic hierarchy.) Yvonne Collins would reject the idea that just anyone can become a

witch of any significance by training and practice. The occult demonic power would not be strong enough for a convert to witchcraft. Yvonne's occult name is Legena which means Lucifer's bride. Legena (Yvonne Collins) who lived in Virginia, got upset with Jerry Falwell, he didn't follow orders well enough. She got the Security and Exchange Commission to investigate his church, which caused the church economic hardships. Even mainline Christian ministers are expected to follow directives of the Grande Druid Council which is said to operate under the orders of the Rothschilds. Everyone who was high up in the Illuminati and are NOW Christians remember Tom Collins. Collins was in the Illuminati, but for some reason the Lord changed his heart and he began to talk to churches about what is really going on. He had an itinerary of churches to speak to, of which a Baptist church was one. He warned what was going on. He was gunned down in a Grocery store parking lot, and has been used as an example by the Illuminati to anyone else who dares utter a word. "Remember Tom Collins," they warn people in the covens.

This reminds me of another incident, which happened to a brother in Olympia, WA, the capital of WA. Two weeks after Reagan was elected, a beautiful Mercedes pulled up to where this Christian brother was working. The guy who got out was obviously rich-his suit had to be in the neighborhood of \$800 and his wife had fox furs around her neck. They said their son was going to work for the state and they wanted to look for a home for him. The woman was being Independent and said, "I don't want to go see the houses. I want to talk to this nice man." The houses were done by Donahue Construction. The men went on to look at the houses, and the woman remained behind and talked. This Christian is an easy talker with people. He struck up a conversation naturally. He said, "I think it's great Ronald Reagan got elected, he's going to be a good president." The woman replied, "We wanted George Bush to get it." "Whose we?", the Christian asked to this rich lady who kept tossing her furs back and forth. "The Illuminati," she said, "We're the enlightened ones, and George Bush was trained by us." Unfortunately, the men had just returned at this point and were entering the room. The man with the expensive suit was livid. "Shut your mouth," he yelled. She huffed back, "Well, if you insist." He then turned to the Christian, who he didn't know, and politely told him that they had failed to find anything that suited them. "Thank you very much everything is secure." and handed him the keys.

Then he dragged the woman to the Mercedes giving her hell all the way for talking, and when they got in proceeded to physically slap her around. This was an extremely rare incident. Many of the Satanic hierarchy live their entire lives without uttering a word to anyone anything about the hidden Satanic side of their lives. As a rule they find very respectable cover lives in society--the more respectable the better- to cover their hidden lives. The Satanic rituals are always memorized. You will not walk into these people's houses and find incriminating books or objects. Remember Ted Bundy in last issue's article. Ted was exactly the model of how many top Illuminati are. They are capable of the most horrendous things, but to everyone who knows them, they are the most likable, intelligent normal people. People who

knew Ted Bundy had no idea what he was doing in secret. The Satanic hierarchy and their Satanism is clearly the most secret religion in the world. They are a priesthood that rules the world through political leaders that they place in power. And because of their power, they have the ability to suppress a great deal of the publicity that could arise from their numerous activities. To describe the security methods employed to keep high level Satanism secret could take an entire book. Let's just put it this way, if you were a billionaire, which several of the leading Olympians (King Illuminati) are, what kind of

security could you afford? And what kind of clout would you have with national governments and police forces to get even governments to provide security for you?

Remember these people own the press, and the media.

They will kill, or discredit anyone who exposes them. Don't be surprised if both of these happen to me, the author. Just know this--they can kill the body they can not kill the soul. Our Christian God reigns. They also control the CIA and FBI. (See *Be Wise As Serpents* for more details on this.) Many leading FBI agents have not only been Masons. but many have been Satanists. The FBI sends out reports which paraphrased go like this, "Far more crime has been committed by zealots in the name of God than has ever been committed in the name of Satan. The actual involvement of the occult in a criminal case usually turns out to be secondary, insignificant, or nonexistent. The law enforcement perspective on occult crime requires avoiding the paranoia that has crept into this issue. Unless hard evidence is obtained and corroborated, police officers should avoid being frightened into believing that satanists are performing criminal ceremonies requiring investigation. An unjustified crusade against such activity could result in wasted resources, unwanted damage to reputations, and disruption of civil liberties." (This type of thing is hilarious to hear from the FBI, for those who know how they have trampled on every civil liberty by investigating tens of thousands of organizations simply because they opposed the establishment and ruined the reputations of many people- Martin Luther King for instance. People who have read my book may have picked up that J. Edgar Hoover was a 32° Mason, homosexual, and worked intimately with the Illuminati.)

For those who haven't come out of Satanism, one way to explain to people how Satanic secrecy functions is to compare these Satanic families with the Mafia families.

Individuals in these families learn what they need to know, no more. The top bosses have cover jobs, and give their orders orally. (Actually the comparison between Mafia or Costa Nostra families and Moriah or Illuminati families is quite fitting because they tie in organizationally and were created by the same occult stream of secret societies that Satan has been running.) Don't expect to find what you are reading here about the Collins family- that they are one of the very top illuminati families even more powerful than the Rothschilds- anywhere else. People are getting the inside story for the first time. I am grateful for various ex-ringsiders giving me accounts of secret meetings. Except for the testimony of eye-witnesses, there is little evidence of what happens at hierarchy meetings. There are numerous clues, but they are rejected by most people who refuse to accept that the Satanic hierarchy exists. Before the 1960s, and the space programs man had not seen the far side of the moon. But that didn't mean it wasn't there. The hierarchy are professionals at Satanism and are really pros at obtaining satanic power through ritual, deeds and worldly power. Their activities are very secret. In contrast there is great deal of physical evidence from the coven levels (the lowest level) that periodically surfaces- robes, candies made of fat, athames, altars, dead animals, ritual sites, etc. The higher levels believe that the force must be balanced- one's good deeds must match one's evil deeds. Consequently some of the greatest philanthropists are leading Satanists. The lower levels are not concerned with developing power such as what Satan has, they simply enjoy being evil, and in that respect are rather crude in their exercise of evil.

The Collins family hasn't received much attention. Who do you think of when you think of the Collins? Joan Collins? She was a beautiful, Jewish Hollywood actress from England. Joan's grandmother lived at Brighton, England. (Joan mentions her father being a Jew on pg. 13 of her autobiography *Joan Collins Past Imperfect*.) Her father Joe Collins and his friend Lord Lew Grade had an acting company. Joe Collins' father Will

Collins and his wife a can-can dancer Henrietta Collins were also into acting. In the 1970s she was in several horror movies and picked up the title "Queen of the Horror Films" (p. 271). In 1977 and 1978 Joan was nude in two sexy films (not her first) which were expected to do better at the box office than they did, neither of the titles of these films bear repeating.

One was based on a sexy book Joan's sister wrote that was a best-seller in England. Joan was the first "old" woman to be in the buff in Playboy (the Dec '83 Playboy). The issue is a collector's item. In her 40s, she was still posing in the buff. Which according to her autobiography she feels comfortable doing. (I wonder if being exceptionally beautiful and a sex idol for millions makes it easier to pose nude.) For those who watch Dynasty, you'll likely remember her. For those who watched Hansel and Gretel, Joan was the witch. She was the woman in film The Devil Within Her. In Dec., 1982 Joan was asked to be the mistress of ceremonies at Prince Albert Hall before the Queen and His Royal Highness Prince Phillips. Besides knowing that she is into astrology, after looking at her autobiography I don't pick up a hint of any religiousness. Besides her amazing beauty, her lack of morals made her a perfect fit for Hollywood. Among her many friends, she had Sammy Davis, Jr. (p. 332) and Jayne Mansfield as friends or acquaintances, both of whom are publicly known to be Satanists. She rubbed shoulders with Henry Kissinger (p.3454 of Autbio.) Joan Collins vacationed in the winter at St. Moritz, which is an exclusive ski resort of the international set where Joan rubbed shoulders with Niarchos and Aristotle Onassis. (These - are Kings within the Illuminati.) Joan Collins spent time with Edgar Bronfman. The Bronfman family are the Jewish Illuminati family that runs Canada. (p. 281-282) Joan Collins may not be part of the Illuminati Collins family, but if she isn't she has at least associated with some of the top Illuminati. Joan was married several times but obviously preferred her maiden name. Another famous Collins is Michael Collins who was one of the three astronauts on the Apollo II. Apollo 11 was the first officially announced visit by man to the moon. For those who have read Be Wise As Serpents you are aware that the first flag on the moon was the Scottish Rite's flag.

There are a number of very strange things about the flight, and about what NASA has been doing. Bun Aldrin is a Freemason. Neil Armstrong has gone into seclusion, shunning any publicity. As Michael Collins puts it, Neil has "dropped out and doesn't sell the NASA program." (Carrying the Fire, by Michael Collins, p. 461--The title to his book is based on Greek mythology. The god Apollo carried fire, which is what Michael felt described Apollo 11.) What our government has been doing with NASA, flying saucers and a manned lunar base, is beyond writing about in this article, But the question did naturally come to my mind, could Michael Collins be related to the Illuminati Collins family? Michael Collins writes about himself, "Fortunately, I have been a poor student all my life, and my parents, concealing their disappointment, seldom pushed me." (Carrying the Fire, p. 462) It certainly seems like such a student would need some pull to get into West Point, USMA. Michael Collins also sits on the board of directors of the Illuminati's Rand Corporation which works with Tavistock Institute. He is not even a nominal Christian as far as I can tell, he states dryly that "no" he "did not find God" when he went to the moon. It looked like the clues were leading in the direction that he might be part of the elite, when I can across one sentence that changed my mind.

Michael Collins wrote, "I feel just as thankful today that I live in the United States of America as I did before flying in space, and I have no desire for this country to merge into a United States of the World." (p.470 of his book. By the way Michael Collins wrote his own book in contrast with so many of the "Christian" authors like **Pat Robertson's** New World Order, and some of Billy Graham's books which are written by others with

the big name tacked on to sell it.) If anyone could promote internationalism (One-World-Govt.) without any suspicion it would be Michael Collins, for few men share his experience of seeing the tiny earth in the vastness of the hostile universe. And yet he doesn't, he simply advocates that humans learn to cooperate to solve our problems- which we certainly need to do. Michael Collins has some really interesting and in a sense inspiring things to say about what seeing the earth from way out in space meant to his life. What he writes bears repeating. I don't have the space for it all but will share one idea that is novel, "Seeing the earth from a distance has changed my perception of the solar system as well. Ever since Copernicus' theory (that the earth was a satellite of the sun, instead of vice versa) gained wide acceptance, men have considered it an irrefutable truth; yet I submit that we still cling emotionally to the pre-Copernican, or Ptolemaic, notion that the earth is the center of everything.

The sun comes up at dawn and goes down at dusk, right? Or as the radio commercial describes sunset: "When the sun just goes away from the sky..." Baloney. The sun doesn't rise or fall: it doesn't move, it just sits there, and we rotate in front of it, while dusk means we have turned another 180 degrees and are being carried into the shadow zone. The sun never "goes away from the sky." It's still there sharing the same sky with us; it's simply that there is a chunk of opaque earth between us and the sun which prevents our seeing it. Everyone knows that, but I really see it now." (pp. 472-73) (I like Michael Collins. What I just quoted is neat. After reading lots of occult garbage, I really appreciate someone who isn't into emphasizing the sun. If Michael were an occultist he would not have made this statement. In fact, I think it would be healthy for Christians to quit looking at the stars, and realize how wonderful God's green earth is. Praise His holy name! The earth is a very unique wonderful marvelous place. And all these people who use their imaginations and belittle the earth because they think some other planet in another galaxy is better, should do some space travel. The earth is a miracle, and anyone who doesn't see God through His creation is not thinking straight.) Back to the question, is Michael's Collins family part of the Illuminati Collins family? I have no idea, but

Michael himself is not an internationalist. The Collins family is an old New England family. Early members of it were Francis, Edward and John. (See the genealogical chart.) Part of the Satanic branch may live in England too. Like most top Illuminati families, the Collins have spread all over - so that even the West Coast has some members of this satanic bloodline. Part of the family is both related to aristocracy and to witchcraft. For instance, I have a complete list of all people accused of witchcraft in New England in the 17th century which includes some Collins, The 17th century was the first century that British settlers, mostly Puritans, some of whom are also known as Pilgrims and Congregationalists settled in New England. In 1640 in Aquiday, Mass. a Collins was accused of witchcraft. In 1653, Jane Collins was accused of witchcraft in Lynn, Mass. And a Collins family lived in the Salem, Mass. area of Marblehead during the 1650s when the witch trials occurred.

They were neighbors to the family accused of witchcraft. Interestingly some of the last names of other people accused of witchcraft in early colonial Massachusetts include Young, Bailey, Carrington, Godfrey, Hall, Brown and Clinton. You will find all of these last names on people today who are connected to the Satanic hierarchy (Illuminati) and Satanism. However, the worst example of dealing with "witchcraft", the Salem Witch trials, was instigated by the Collins family to destroy Christians. Christians have been held accountable for something the Collins family did to Christians in Salem, Mass. My opinion is that the Collins family practiced witchcraft before coming to New England in

the 17th century. One ex-Illuminati member who was from the Collins bloodline stated that the Collins family brought witchcraft from England to America. For the first part of the 1700s, one of the British Collins was prominent for his books promoting Deism against Christianity. As an example of some of their aristocratic ties, Arthur Collin's 9 volume reference work Collin's Peerage of England published in 1812 was a definitive work on aristocratic peerage. Obviously, Arthur Collins had a great deal of clout to be able to research such a massive work on people of significance in England. The Collins family gave us John Collins, third Governor of Rhode Island. John Collins was born to the rich powerful part of the Collins family at Newport, R.I. John Collins (1717-1795) played an important part in the creation of our Federal government, and a role in one of the most remarkable court cases Trevett vs. Weeden which set the precedence in court which allowed courts to declare legislative enactments unconstitutional. He advocated the issuance of paper currency and a strong central government, which made him unpopular in the rural areas of Rhode Island. He married Mary Avery. Another John Collins (1775-1822) born to a well-to-do Collins family was tenth governor of Delaware (1819-1822).

Quite a number of Collins have been well-to-do. The wealthiest Collins that I have discovered so far is Matthew Garrett Collins (1874-1925). Matthew Garrett Collins was an oil producer. His father was Oliver Cromwell Collins! named after Oliver Cromwell. Oliver Cromwell was the early Mason who was paid off by the Amsterdam Jews to allow the Jews back into England. Matthew Garrett Collins was a Mason. M.G. Collins manufactured silk and in ten years took the operation in 1886 from nothing to a \$2 million business. He was president of Interstate Gasoline Co. He worked with several other big oil men, such as Gov. Charles Haskell of Oklahoma. He was Trustee for Drew Seminary. He participated in the Methodist church. Matthew Garrett Collins oil operations and friendship with the governor of Oklahoma are very significant. Inside information indicates some type of connection between the Collins family and Oklahoma, and Tulsa is a major headquarters for Satanism in that area. There are a number of buildings that the Satanists own in the Tulsa area that are used for their operations. Besides Matthew Garrett Collins there have been a number of other wealthy Collinses, such as Theodore Clyde Collins, Jr. (Insur. co. exec., banker, pres. of etc. etc.), Arthur Fletcher Collins (real estate corp. exec., hd of some financial institutions and an financial analyst), Henry James Collins 3rd (Insur. Co. exec., treasurer of several financial organizations), J. Barclay Collins 2nd (oil co. exec., lawyer, bd. dir. of trustee of a hospital), Leroy Collins, Jr. (banker, dir. or president of some organizations), John Roger Collins (aerospace co. exec., banker, economist, trustee or bd. of dir. & v.p. of a number of organizations), John Paul Collins (banker, dir. of Rothschild's Citicorp Research Corp., plus trustee of a hospital, besides holding other leading positions in a number of other organizations.) And finally Michael James Collins (not the astronaut) who has been an investment co. exec, plus to name a few items-- pres. Fidelity Union Life Ins., pres. Allianz Investment Corp., pres. Collins Capital, Dallas, Trustee KERA-TV, bd. dir. & v.p, of the Carr P. Collins Foundation. None of these men gave information concerning any church affiliation. With the other Collinses usually if they do have a church affiliation it is Episcopalian. The Collins family also built the world's fastest nicest ocean going ships during the 1850s, for which they spared no expense. The Collins lost a number of ships to natural sea disasters, and after the financial panic of 1857, the Collins got out of shipping, and directed their attention to coal and iron. They had a home on

Madison Ave., NY. One of the Collins who is clearly descended from the old New England family is the banker Atwood Collins (1851-1926) who graduated from Yale in

1873. One line of Collins that were descended from the old New England family were the father and son who gave their names to several locations in Western US. Fort Collins, CO is named after Cal. William Oliver Collins, a descendent of Edward Collins who arrived in Boston from England in 1630. And Casper, Wyoming is named after Col. William O. Collin's son Casper Collins. Casper Collins died fighting indians, and so this family line died out. Col. William Oliver Collins family were well-to-do Episcopalians. W.O. Collins had originally gone to law school, then became a Senator, and then was made a Colonel by the Secretary of War at the outbreak of the Civil War. Because the U.S. troops in the far west were widely dispersed, the rank of Colonel was a very high rank to hold in the western territories during the Civil War. Now this article will list a few Collins who I suspect may have been connected to the Illuminati in their time. These are only suspects, but interesting people at that.

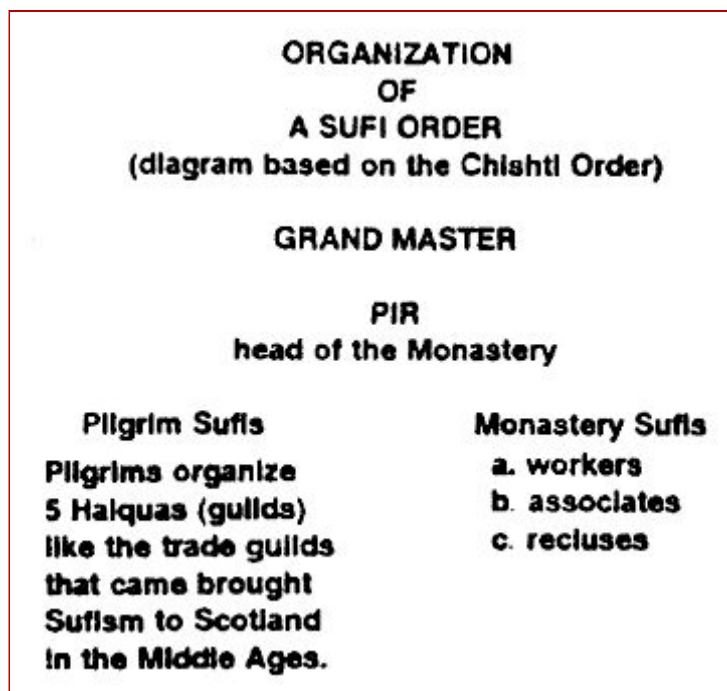

- **Clifton W. Collins**--Clifton studied Saint Simon who was the Mason/Illuminatus that started Communism in the early 19th century. Clifton wrote a book about him entitled Saint Simon.
- **Copp Collins**--Copp Collins was involved in so many political things for the republican Presidential elections, and involved with consulting Federal agencies and so many other government positions it is difficult to give a list of what all he has been involved with. He also was involved with Bahrain Petroleum Co., Ltd during the 1950s.
- **DeWitt Clinton Collins**--DeWitt Clinton Collins was born on Sept. 5, 1866 and was named after DeWitt Clinton, who was assoc. with the Illuminati very early in the history of the United States. His father, Clinton DeWitt was also named after DeWitt Clinton. D.C. Collins did his post-graduate work in Vienna, and practiced in Chicago.
- **Hugh Collins**--Author Marxism and the Law published by Oxford University Press.
- **James Foster Collins**--Worked for U.S. intelligence, for the United Nations, graduated from Yale, had such jobs as Research assistant U.S. Senate Atomic Energy Commission, political affairs officer United Nations Secretariat (1946-1949), By the way a large percentage of the officers in the Secretariat area of the United Nations for the first 10 years were Jews. Collins also worked for the state department and the treasury department, perhaps maintaining his intelligence work on the side.
- **Jim Collins**--Jim writes books on the occult, UFOs, mysticism, Uri Geller, etc.
- **John Anderson Collins**-- He was intimately involved with the illuminati plots involving Unitarians/Rosicrucians/& Masons which created militant abolitionists who intended to wage war against the south. He worked with William Uoyd Garrison. For a full expose on this the reader should study my chapter on the Unitarian church in Be Wise As Serpents. John Anderson Collins was a socialist (forerunner of what is known as communism). He attempted several communist social experiments beginning in the 1840s. The importance of how this all connects to the occult and the Illuminati can be appreciated by reading Fire in The Minds of Men by James Billington.
- **John Churton Collins**--In 1886 he wrote a book on Voltaire, and in 1908 he wrote yet another book on Voltaire. As a lecturer who travelled to the U.S. and Germany, the press always gave him great press coverage. He was involved with the occult. He was found dead in peculiar circumstances in a ditch.
- **Launa Collins and Virginia Collins** co. authored a book Levels of Mind in 1984.

- **Mauney D. Collins**--Mauney Collins was State Superintendent of Schools in Georgia. He went to Bob Jones College sometime after 1938. He was a Freemason, a Grand Master of the Georgia Grand Lodge of Odd Fellows, assoc. editor of the Ga. Odd Fellows News, and if my source is correct editor of Atlanta's Masonic magazine. He was in Eastern Star, and a number of other affiliated Masonic groups. He lived at the Capital Building at the state capital in Georgia. He was a pastor (ordained in 1909) of Friendship Baptist Church for his lifetime.
- **Paul Valorous Collins**--writer, studied art in Paris, interviewed Italian strongman Benito Mussolini in 1927 for Outlook Magazine. Presbyterian and a Freemason.
- **Robert DeVille Collins** - foreign service officer, intelligence, 1st Secretary to NATO (73-76), director political officer of personnel of the US. State Dept. (80-82), worked in the U.S. embassy in Rome in various capacities, Roman Catholic, and given an award by the Pope.
- **Ross A. Collins**-- One of the ex-Illuminati members remembers the name Ross Collins. Ross A. Collins was a high ranking Mason, a lawyer, an attorney general (a common position for Satanists), and a Congressman. He was born at Collinsville, Miss. in Congress at Washington, D.C. he was chairman of the military appropriation committee, a position which the Illuminati control. Ross Collins was famous for advocating mechanized weaponry. He wanted technology to be applied to weaponry. He is credited with bringing the Flying Fortress into being. By the way there have been many Collins who were Masons, for instance, the masonic reference book History of Scottish Rite Masonry in Chicago, also titled Oriental Consistory 1856-1907 by George Warvelle, 33°, lists twelve Collins as being members of Chicago's Oriental Consistory (pp. 99-100).
- **Varnum Lansing Collins**-Princeton Univ. Professor and Episcopalian.
- **Wilkie Collins**-author of occult fiction
- **William Collins**-his british Collins Pub firm has printed some books on British Intelligence (MI-5, MI-6).

I could continue giving more names on the suspect list, but the reader's patience has likely been tested enough. Articles like this aren't as much fun to write, when I have to pad out some hard evidence with clues. I included some of the suspects so that the readers can see that people with the last name of Collins do show up with some frequency when one investigates the occult and power. Some readers might feel that any last name could be run through history and some people involved in the occult found. I challenge people to test that. I will give them some names, and let them search. There are some names such as Gould for instance that reoccur way out of proportion in Masonic literature than the name should randomly occur. Russell is another name that reoccurs everywhere I turned in studying the New World Order. It became evident that the Russell family was not a common family, but wielded immense power. On the opposite side of things, some families have been essentially totally unconnected with the occult in anyway.

Prior to the Civil War, the American branch of the Collins family split off under the surname of Todd. Numerous occult figures including important names in secret Satanism or various Witchcraft groups have had the last name of Todd. Presidents Madison and Lincoln were married to Todds. Lincoln's wife Mary Todd was into the occult. Whether Abraham Lincoln is in heaven or not I do not know, those decisions are God Almighty. But from examining the evidence as carefully and honestly as possible-Abraham Lincoln was a Rosicrucian and in fact he was a member of the Order of the Lily's Council of Three along with Paschal Beverly Randolph and General Ethan Allen Hitchcock. Properly speaking, those Todds who are descended from the Collins family should have been covered in this, because they are considered by the Illuminati as part of the Collins bloodline.

The Todd family hasn't been covered now, but may possibly be written about more fully at a later date. In summary, the Collins family is one of the top Illuminati families that has managed to remain low key. It is believed that the Collins family has been kept secret because they wield more power than the Rothschilds, Rockefellers, or the Onassis. The only way that I came to realize their importance is through a number of people giving inside information, and the only reason that the inside information was plausible was the great amount of research I had done in this area. And yet what has been done is a drop from what can be accomplished. My research shows the family has been connected to witchcraft since they arrived in New England in the 1630s, and may well have practiced it centuries prior to that. At least part of the British Collins family are Jewish.

REVISITING THE COLLINS FAMILY--ONE OF THE TOP 13 ILLUMINATI FAMILIES

The Collins family is one of the most powerful families in the world, and yet has been able to hide their power and wealth. The Van Duyn family has also hidden themselves very well. But the Collins family is full of tantalizing clues, such as one Collins branch that I found in looking at genealogical family group sheets. This was a book that Gerald

E. Collins' drew up showing the Collins family and their relationship to the Bauer family who according to his book changed their name to Bower. That is exactly what the Rothschild relatives named Bauer did. The name Collins originated in the British Isles, in Ireland it began as O'Collins, and in Scotland as Kollyns. Today, a prominent figure in Wicca is the Wiccan reformer Kollyns, whose name was originally Collins. Two significant Collinses were Sara Aynn Collins and her older brother. Her older brother was a member of the Satanists who called themselves the Hell Fire Club. He belonged to the Boston Hell Fire Club. The Hell Fire Club has been discussed in previous newsletters. It has been pointed out in the past articles how Benjamin Franklin and Thomas Jefferson were members of this purely Satanic group who practiced satanic sexual occult rituals. Sara Aynn Collins (bn. c. 1730) was deeply attracted to the occult. Her family was a generational Witchcraft/Satanic family, but many of them wanted to abandon the occult.

Besides not wanting to leave the old family traditions of witchcraft, Sara did not want to marry the man her father tried to sell her to. Neither the arranged marriage nor forsaking witchcraft was for Sara. She went to Scotland to get to the heart of learning the occult and became a leader in the oldest form of Wicca, the Elven Path. (Other traditional types of Wicca in the U.S. come from Ireland, Wales, and Greece.) After the American Revolution she left Scotland skilled in occult power, and came back to the United States, where she formed the first Covendom of Wicca. She and her brother were powerful Wiccans, and their descendants are the main group of Collinses that practice Wicca and Satanism. A wild woman stabbed Sara Aynn Collins to death in a Boston store. What you have just received is the important link in tracing the Satanic Collins bloodline. Sara Aynn Collins (and there were several Sarah Ann Collins in her day-it seems the name appealed to the Collins family) is in turn a descendent of Francis Collins of the 17th century. Francis was the head of the family when it came over from England. The Todd family seems to have Satanic undertones to it, even in the days just after the Revolutionary War. For instance, John Jacob Astor married Sarah Todd who had a fair amount of money attached to her. The Todd surname is not an extremely common name-until one begins researching the conspiracy, and then it pops up with frequency. It is known that during the time of the Civil War the Collins bloodline went into the surnames of Todd and Putman.

It needs to be brought out here that the Putman family also has spelled their name Putnam! One genealogy book which ties the Putman/Putnam family to the Collins family is Putnam, Thomas Russell (1897). Putnam genealogy; recording the descendants of Thomas Putnam. The Be Wise As Serpents book exposed the early Clinton family of DeWitt Clinton as an illuminati family. Interestingly, there was a Collins boy born in 1824 who was named after that Satanist. His name was DeWitt Clinton Collins (1824-1909). Another interesting tidbit was that the Phelps family of Virginia is related to the Collins. The Phelps family arrived in Mass. in 1630 and became a prominent family in the Skull & Bones. And don't forget men like Skull & Bones William Collins Whitney (unit. into S&B 1863) of the Collins family. The member of the Collins lineage had two sons, who both became members of the Illuminati's Order of the Skull & Bones. William Collins Whitney (1841-1904) and his two sons are the core of the Whitney influence in the Order of the Skull & Bones. This Collins blood of the Whitney's then went into the Harriman family. Anyone who has been reading this newsletter this

year knows how important the Harrimans are! Pam Harriman is the person behind Bill Clinton.

Further, the Collins blood of the Whitney's went into the Payne family and the Vanderbilts by intermarriage! The Payne family has been a big part of the Rockefellers and Standard Oil. (It is a small world at the top.) William Collins Whitney had a lack luster career as an inspector of schools. But then beginning in the 1870s, he amassed a fortune from who knows where very quickly. William Collins Whitney was the power behind Pres Cleveland, who was his puppet. He also directed a group of powerful important capitalists called the Whitney Group. W.C. Whitney married Flora Payne. Their son Harry Payne Whitney married Gertrude Vanderbilt in 1896. Their son (and remember he still has Collins blood) Cornelius Vanderbilt Whitney married Marie Norton who later married W. Averell Harriman (unit. into S&B in 1913), the man who helped finance Hitler to power. The Harrimans also helped bring the Bush family from oblivion back in the early 1920s. When Prescott Bush (George Bush's father) lost all his money in the 1929 stock market crash, the Harrimans again came to financially helped Prescott Bush back on his feet

During the 1920s, the W. Averell Harriman, Prescott Bush, Fritz Thyssen and Friedrich Flick created several entitles to help finance Hitler and to produce the weapons Hitler would need to fight W.W. II.. One of these companies was the German Steel Trust (in German called Vereinigte Stahlwerke. This company produced 35% of Nazi Germany's explosives, 50.8% of Germany's pig iron, 38.5% of Nazi Germany's galvanized steel, 36% of Germany's heavy plate, 22.1 % of Germany's wire, and many other things essential for Hitler, if it had not been Harriman' and Bush's money helping Thyssen who was Hitler's major backer, Hitler would never had been able to have launched W.W. II. Thyssen even wrote a book in the 1930. I paid Hitler (now rare) telling about how he financed Hitler and the Nazis beginning in Oct. 1923. As I have said numerous times Hitler was of the Rothschild bloodline.

An understanding of the top 13 families opens up a whole new understanding of history. In fact, the full extent of the power of the top 13 families is far greater than what I am able to communicate. This is because of their skill at secrecy. Allow me to explain. It was no accident that Hitler's Rothschild blood was hidden. A common practice among the top 13 families is to have an important child secretly or quietly without fanfare, and adopt the child out to another family. The child then takes on another last name, which hides the genealogy, in the occult ceremonies, the biological parents will step forward. For instance, for Mothers of Darkness the biological father must impregnate the young daughter who is being initiated into the Mothers of Darkness. The first baby by the girl must come from her biological father and must be sacrificed by her to Satan. Many of the Illuminati children are adopted out, (in fact our President Clinton was).

To try and trace the genealogy of the Illuminati is most difficult. What I am trying to lead up to saying is that due to a number of reasons-many people with last names which are different than the top 12 surnames (as well as the several names I've given for the 13th bloodline) I have given are ALSO part of the top 13 bloodlines. Last names are not the criteria--the magical occult power in their blood is. It is more than just having the correct blood--but the magic power in that blood is critical. Once a branch loses its occult power its blood is nothing. This is why even though my wife is a descendent from the Holy Blood line, the 13th family, her branch of the family has had nothing to do with the occult for centuries, and could never be part of Illuminati. In summary, this article has given some critical names in the early genealogy of the Satanic branch of the Collins family.

This article has discussed how important events in our world are being molded by those 13 families secretly, for example the Collins family. Finally, it was discussed how the Illuminati have a number of ways that they hide their genealogies, and one of these is the common practice of adopting out a child, so that it gets a different last name.

Satanist Bonewitz calls the leading Illuminati families "Fam-Trads." He spells out that Fam-Trads mean the very powerful families that have been the actual ones to pass witchcraft down from one generation to the next. Bonewitz's article claims that the only coherent lineage of witchcraft was what these powerful families have given us. They were able to pass down witchcraft uninterrupted because they were so powerful. He writes, "There is plenty of evidence of ancient Pagan traditions surviving under thin Christian veneers in isolated parts of Christendom, but there is almost nothing logical to suggest that the people leading these traditions were in touch with each other..." How did the leading powerful families continue to practice their witchcraft? Bonewitz's answer is interesting, He states,

REVISITING THE COLLINS FAMILY

Isaac Bonewitz who sits on the Illuminati's Grand Druid Council wrote in "Witchcraft" (which was a series of articles in the Green Egg in 1976) some very interesting statements about the top Illuminati families.

Most members of Fam-Trads made efforts to conceal their "superstitious" beliefs and Pagan magical systems. Instead they became involved in Freemasonry and Rosicrucianism in the 18th century, Spiritualism and Theosophy in the 19th; for all these movements were considered more respectable than witchcraft, and still allowed the Fam-Trads to practice occult arts. So as the years went by, members of the Fam-Trads absorbed more and more from non-pagan magical sources and handed their new information down to each generation, often carelessly letting the descendants think that a Rosicrucian spell or alchemical meditation was a legitimate part of their Pagan heritage. So even today we have Fam-Trad witches who are far closer to being Theosophists or Spiritualists than to being Classical or Neoclassical witches. (Bonewitz, Isaac. "Witchcraft" The Green Egg, June 21, 1976, Pt. III pp. 5-6.)

In 1770, Lord Petre, Grand Master in the Masonic Lodges in the British colonies appointed John Collins to be the Provincial Grand Master of Quebec. (Co-authored by a board of Masonic editors, History of the Ancient and Honorable Fraternity of Free and Accepted Masons & Concordant Orders. Boston & NY: The Fraternity (Pub. Co.), 1891, p. 225

I mention John Collins as an example of a powerful 18th century Freemason, who was part of what appears to be the Collins Illuminati family. In previous articles, we have documented how the early 18th century Astors and DuPonts were active Freemasons. The history of these top families does agree with Bonewitz that in order to continue to practice their witchcraft they used the cover of Freemasonry. Later, in the 19th century some of the leading families can be seen to have moved into Spiritualism, such as the British royal family, and Mary Baker Eddy of the Baker family.

Interestingly, H.P. Blavatsky who was involved with spiritism started the Theosophical Society and also a periodical named Lucifer in 1887. The woman who co-edited Lucifer

with her was the medium (now called a channeler) Mabel Collins. Mabel Collins later had a disagreement with H.P.B. and left. (Oppenheim, Janet. *The Other World*. Cambridge, Eng.: Cambridge Univ. Press, p.182.) And it is possible that a few of the Rockefellers joined Lucis Trust which is an extension of Theosophy as well as members of the Hall family such as Manly P. Hall whose wife was a Bauer (very likely part of the Rothschild bloodline.) This pattern that Bonewitz has pointed out to us, is worthy of continued investigation, it is likely that other leading families have also followed the pattern he describes. The 13 top Illuminati families are more correctly described as 13 bloodlines. The Collins family had a branch that shot off from it during the early 1800s which was the Todd family. The Todd family branch remained an important part of the Illuminati. We will now discuss this branch in more detail as I said I might in the Feb. 1, '93 newsletter.

The TODD BRANCH of the COLLINS FAMILY

HOT TODDY & HER FATHER JOHN TODD

Thelma Todd was known as Hot Toddy. She was an extremely sexy movie actress, but she also had another side to her. She was intimately involved with the mob, and men like Lucky Luciano. Hot Toddy was intimate with Lucky Luciano, who made money from gambling, drugs, and prostitution. In 1935, she was murdered. The murderer left her corpse with \$20,000 in jewelry on it. In 1989, the book *Hot Toddy* by Andy Edmonds solves the murder, which the police did not want to solve and tried to cover up. Thelma was originally from 592 Andover St, Lawrence, Mass. Her father was John Shaw Todd and her mother Alice. Her father had been a corrupted police lieutenant before going into politics. John's cronies would come over to their house to the parlor. By 1915, John Todd became "one of the most important men in the East. He was appointed Massachusetts director of public health and welfare, a job that gave him carte blanche to write checks and approve construction and medical contracts, offer political positions on high-paying state committees (most as repayment for favors), and pass funding along to handpicked organizations and charities. Many believed he lined his pockets on more than one appointment or contract." (Edmonds, Andy. *Hot Toddy*. NY: William Morrow & Co., p. 56.)

In 1925, he became a "political advisor" to legislators. In 1926, he used his influence to get good reviews in newspapers of the film his daughter was in. Hot Toddy had a reputation for going braless, for flirting with men etc. She as a teenager had a secret desire to be a madam at a brothel. (p.60) She was sponsored by the Elks Lodge in a beauty contest in 1925 and was selected Miss Massachusetts. Hollywood even in the early 1920s was full of murders, the weirdest sexual habits imaginable, and most of the actors were drug addicts (cocaine, heroin, and booze). That was years before these habits hit the mainstream of American life. Many actors were homosexual. Many if not most (the lists I have seen would indicate most) actors were Jewish. Charles Luciano was nicknamed Charile Lucifer, "the devil." He was the most feared and hated of the underworld bosses. Luciano liked Toddy both because he was attracted to her and she had a restaurant he wanted to use for one of his bases of operations on the third floor for gambling.

Luciano was one of the three major distributors for the Bronfman's narcotics. The Bronfmans are outwardly Jewish and covertly satanists. Remember they were mentioned in the previous Collins article being friends of actor Joan Collins. Rothstein

and Meyer Lansky were the other two Bronfman distributors. (Dope. Inc., p. 431) Luciano supplied Hot Toddy with her drugs. At the time of her murder, her movie boss had planned to raise her salary to \$3,500 a week. Luciano worked for the U.S. government during W.W. II, and in 1946 was deported to Sicily. During W.W.II Luciano work for US. Intelligence--SOE and OSS. (Where else in this newsletter have I mentioned the corruption in the Intelligence Agencies?) After being "deported" to Sicily, Luciano continued to work for US. Intelligence and Permindex (Dope. Inc., p. 483)-which is the elite's assassination bureau which later moved the center of its headquarters to Paradise Island in the Grand Bahamas. (Dope. Inc., p.493) (It seems to me that Luciano had connections to Onassis.) I noticed that there was a man named Collins who was involved with the Illuminati's movements to take over the Australian economy. He was an executive of H.W. Smith, one of those companies that interlock with the CIA, mob, and Illuminati. As you may realize, I offer these types of clues because I can't presume on the future and hope that others will assist in putting together the pieces of how widespread the satanic Collins family is.

JOHNNY TODD

Johnny Todd is reported to have converted to Christ on Labor Day, 1972 according to one person I talked to. It seemed like the talk I heard Johnny Todd give indicated 1973 as his conversion date. He was of the Collins family Todds and at some point after coming to Christ, told people he had been a member of the Grand Druid Council of the Illuminati. Before proceeding to tell about his life I interrupt to discuss about whether Johnny Todd is for real or not. Johnny Todd has been discredited as a fraud within much of the Christian community. If I had heard all the negative things said about Johnny Todd first, I might not be writing anything about him, because some of the people against him don't have anything good to say. However, I heard tapes of Johnny Todd speak before I heard the negative things about him. What has taken me years to understand, he went item by item and discussed. I have tried to understand what Johnny Todd did to get discredited, and the central issue seems that a tape he made after he was converted had his voice saying a satanic ritual. I must warn the readers that I haven't gotten to the bottom of who Johnny Todd is, but I was able to ascertain several things.

- Even the people who feel Johnny Todd was a fraud admit he had to have been in Satanism-they simply claim he wasn't as high as he thought.
- Every negative thing that has been said toward Johnny Todd that has any substance that I have been able to hear can be explained away very easily if a person understand MPD.

If Johnny Todd was who he claimed he was, then it is an absolute given that he had MPD, because that is part of the "training", part of the preparation necessary to become part of the Illuminati hierarchy. In other words, the negative things which appear to be insurmountable obstacles to his credibility, may actually if people knew what being involved with the Illuminati is like be items showing his authenticity. Further, it appears that after his conversion to Christ, he received so much lack of understanding and persecution from Christians that he back slide for a period of time, but was brought back to Christ by the repeated message "Jesus loves you." The clincher was listening to the man. After having done years of research and hearing someone tell me much of what I learned the slow and hard way, was very exciting. The man speaks like someone who knows Satanism and the Satanic hierarchy, and knows it first hand. I have listened

to many Christians speak on Satanism, and on a scale of 0 to 100 most of them are about step 1 Todd in my opinion, from the talks I have heard rates around an 80. If he is such a fraud, why is what he is saying such superior information than all the other people? People claim he simply borrowed from other people, but that doesn't hold water. I know of no one else who has openly talked about the Collins family. I could be wrong--he may not be legitimate--but I feel so strongly from what I have experienced that I honestly believe that the man is just what he says he is. And in that case, he is one of the highest Satanic hierarchy people to defect to Christianity who have been willing to talk. Johnny Todd is not talking now-the establishment got him put into prison in South Carolina.
